Summer Camps

Lego Robotics

June 12 - 16 (8:30 am - 12:30 pm) Cost $65
Scholarships Available

For students entering 5th - 8th grade in fall. - LOCATION: WCCC
Off to the races! In this fun-filled camp, spend the week building and programming LEGO Mindstorms® Robotic Kits in teams of 2. You'll learn the basics of machine programming and take a field trip to see robots in action at a local business. Campers will spend the week building and programming a LEGO® Robot to navigate through a challenging maze.

Game Design

June 12 - 16 (1:00 pm - 4:00 pm) Cost $65
Scholarships Available

For students entering 5th - 8th grades in fall - LOCATION: WCCC
If you love video games, this camp will help you find out what it takes to be a game designer. No experience is necessary! You will learn the basics of game design by storyboarding, creation of levels, sound, and graphics within a gaming software package. You will also learn concepts of gaming and simple coding and best of all you will be able to play your game with family or friends.

Minecraft® Mania

June 19 - 23 (1:00 pm - 4:00 pm) Cost $65
Scholarships Available

For students entering 3rd - 5th grade in fall - LOCATION: WCCC
Time for some Minecraft summer fun! Bring on your creativity as you design and build a variety of structures in the creative world mode of Minecraft. You will create structures with specific goals and challenges within your Minecraft world and also work together creating a specific structure all in one world. Does your design stand up to the test to be judged to determine if it met all its goals?
